

## STAGE

It is children's week at the **CIVIC THEATRE**. With a cast of 26, the Arts Centre presents Roger Williams's adaptation of "Treasure Island." As Jim Hawkins, 15-year-old Peter Nichols gives a remarkable performance among such old hands as Arthur Cox (Long John Silver) and Stanley G. Sykes (Israel Hands). The only woman in the cast, Nora Kelly, is a convincing Mrs. Hawkins. Production is by Arthur Cox.

The play will be repeated (still to children) each night this week. The only performance for adults will be on Saturday
